If, at any time, the financial condition of the purchaser becomes unsatisfactory to seller or due to the circumstances of war, strike, or other extraordinary hazard, the purchaser agrees, upon demand of seller, to pay for the seed in advance of shipment, less a cash discount of 2 per Cent., and if such payment is not made within thirty (30) days from the receipt of such demand for payment, this agreement shall thereupon be deemed to be breached by the purchaser.

9. It is further agreed by the parties that in the event of any dispute, controversy, or claim of damages arising under this agreement, such dispute, controversy, or claim shall be submitted by the parties hereto to the Arbitration Committee of the American Seed Trade Association, whose award, decision or judgment on the facts and the law therein shall be final and binding on both parties in every respect. In any event, however, the seller shall not be liable to the purchaser for any loss or damage in a sum greater than the invoice price of the individual lot of seed which is the cause of the complaint, arbitration, or action at law.

IN WITNESS WHEREOF, the parties have hereunto set their hands on the day and year first above written.
